MASTER TELECOMMUNICATION AND BUILDING ACCESS LICENSE RENTAL PORTFOLIO

This License is made as of the date last signed by both parties below (the "Effective Date").

WHEREAS Kaneff Properties Limited acts as property manager and agent for each of the owners (each being a "Freehold Owner") of the multi-unit dwelling building(s) (each, individually, a "Freehold Building") all as further described in Schedule A hereto with respect to the matters contained herein.

WHEREAS Kaneff Properties Limited, acts as property manager and agent for each of the condominium corporations (each being a "Condominium Corporation") (which Condominium Corporations are controlled by persons who are affiliated with the Freehold Owners described above) of the multi-unit dwelling building(s) (each, individually, a "Condominium Building") all as further described in Schedule B hereto with respect to the matters contained herein.

WHEREAS each Freehold Owner and Condominium Corporation is referred to herein as an "Owner" and each Freehold Building and Condominium Building is referred to herein as a "Building".

In consideration of the mutual rights and obligations herein expressed, the sum of \$2.00 paid by each party to the other and other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged) Bell Canada and each Owner agree as follows:

1. Owner hereby grants to Bell Canada and any Affiliates of BCE Inc. ("Affiliates" as defined in the Canada Business Corporations Act, as amended) including without limitation, those for whom Bell Canada is responsible in law (hereinafter, collectively referred to as "Bell") at no cost or charge to Bell, a non-exclusive right and license to:
 - i. enter on and gain access in, over or under the Building and/or the common elements and other common areas of the Building, including without limitation, access to and use of, one or more rooms or other segregated spaces in, on, over or under the Building (the "Equipment Space(s)") for the purposes of: (a) making available and providing telecommunications and other communication services subject to CRTC rulings from time to time, (collectively the "Bell Services") to prospective purchasers and the owners, tenants, invitees or residents of the Building (collectively, the "Occupant(s)"); and (b) exercising non exclusive marketing and advertising rights in accordance with the terms and conditions of the Master Non-Exclusive Marketing Agreement – Rental Portfolio dated 13 Oct 2011 (the "Marketing Agreement");
 - ii. use, construct, install, test, operate, maintain, repair, service, upgrade, modify, remove and replace Equipment in, on, over or under the Building (including without limitation, installation of Equipment for marketing demonstrations of Bell Services). "Equipment" includes but is not limited to any hardware, wire, cabling, infrastructure or otherwise (excluding conduit), which is reasonably necessary and incidental to enable and deliver and demonstrate Bell Services to Occupants, provided where a material upgrade, modification, removal or replacement is planned, Bell shall provide Owner with a written scope of work prior to Bell undertaking any action hereunder and Bell shall obtain the written prior consent from the Owner (acting reasonably) with respect to the same. Nothing herein limits Bell's ability to change, alter or replace the Equipment with new and/or different equipment necessary to provision the Bell Services; provided such change, alteration or replacement is not material in nature requiring Owner consent, and
 - iii. in the event closed-circuit security television cameras and/or other video equipment (e.g., amplifiers, splitters)(collectively, the "CCTV") exists in the Building, access and to use the signal feed from such CCTV's for the purpose of injecting such feed into the Bell Services. Owner acknowledges that Bell makes no representation or warranty in connection with access to the CCTV or use, content or quality of the signal feed.

Nothing herein shall be construed or interpreted as granting Bell any exclusive access rights or access privileges in or to the Building, including the Equipment Space(s) to the exclusion of any other third parties, nor shall Bell interfere with any equipment owned or operated by another supplier unless Bell has entered into a contractual arrangement with that supplier or where Bell is permitted to access certain equipment pursuant to CRTC mandate.

2. Owner acknowledges that Bell shall also have access to a path and/or conduit along, over, under or on the property, from the property line to the Building (the "Conduit"), (as defined in Schedule C), and in or through the Equipment Space(s). If Bell determines that a fibre optic cable or Equipment must be installed to the Conduit, the Building and/or the Equipment Space(s), Bell may install, maintain, and upgrade any Equipment within the Conduit. The parties shall agree in advance (both acting reasonably) upon a plan of installation, upgrade or maintenance of the Equipment within the Conduit.
3. Except in the case of emergencies, all rights of access granted and uses permitted herein shall be available to Bell during normal service hours, three-hundred and sixty-five (365) days per year subject to Bell providing reasonable notice to the Owner or its agent of its intention to enter the Building for the purposes of this License.
4. The parties shall meet the installation requirements for the equipment to be installed by Bell (the "Bell Equipment") as such requirements are more specifically set forth in Schedule "B" hereto. Bell shall, at its own cost: (i) ensure that the Bell Equipment is installed in accordance with all laws, including without limitation, relevant fire and building code requirements in force at the time of installation, and (ii) be responsible for the provision, installation, maintenance and repair of the Bell Equipment during the Term, although each individual Occupant may incur charges (at Bell's then

applicable rates) specific to such Occupant's in-suite requirements. Bell covenants to repair, at its sole expense, any direct damages to the Building or the Equipment Space where such damages are caused by or arising out of Bell's use and occupation hereunder including, without limitation any negligent act, wilful misconduct or omission relating to Bell's use and occupation of the Equipment Space or the Building (the "Covenant"). Except, as otherwise provided in Section 22 of the Condominium Act, 1998 (as it applies to the Condominium Buildings), the Bell Equipment will remain the property of Bell at all times, and will not become a fixture despite any legal principle to the contrary. Owner agrees that it has no legal or equitable ownership interest in the Bell Equipment nor any of Bell owned items reasonably contemplated herein and shall not make any claim to the contrary.

5. Nothing in this License limits the Owner's right to repair or replace any common elements of a Building; provided that where any such repair or replacement may affect the Bell Equipment, the Owner shall: (i) provide Bell with reasonable advance written notice to request Bell to adjust and/or move its Equipment before the maintenance or repairs or replacements are made and which notice shall contain necessary particulars to permit Bell to comment as provided for in item (ii); and (ii) provide Bell with an opportunity to recommend changes to the planned nature, timing, commencement, duration or completion of such maintenance or repairs or such other matter in respect thereof that could have an impact on the Equipment or Bell's ability to deliver the Bell Services. Owner shall implement Bells suggested changes provided they do not add any additional cost or expense to Owner's planned repair or replacement. Despite the foregoing, where maintenance or repairs undertaken by the Owner require Bell to move or relocate any of its Equipment, Bell shall provide a Bell technician to facilitate the movement or relocation of the Equipment as required by the Owner, to a maximum of two moves per calendar year for each building.
6. Each party represents and warrants that: (1) it has full right, power and authority to enter into and perform its covenants and obligations in this License; (2) it is under no obligation, statutory, contractual or otherwise, which could prevent or interfere with the complete performance of its covenants and obligations herein; (3) it is validly organized and existing under the name indicated on this License. The party executing this Agreement on behalf of the Owners represents and warrants that: (A) no building rule, Condominium Rule, or By-law is in force that would prevent or limit either party from: (i) entering into this License; and/or (ii) performing its obligations hereunder; and (B) it has received the authority required at law, including pursuant to the Condominium Act, 1998, where applicable, for it to sign this Agreement on behalf of and to bind each of the Owners.
7. Bell Canada will be liable for and will indemnify and save harmless the Owner, its directors, officers, employees, and contractors, and those for whom it is responsible in law (collectively, the "Owner Indemnitees"), from and against any and all losses, suits, actions, causes of action, proceedings, damages, costs, claims and expenses (collectively, the "Losses") arising from physical damage to any tangible property or bodily injury, including death, to any person caused by or arising out Bell's use and occupation hereunder, including, without limitation, any negligent act, wilful misconduct or omission relating to Bell's use and occupation of the Equipment Space or the Building (including, without limitation, the Covenant set forth in Section 4 herein), provided that Bell Canada will not be required to indemnify the Owner Indemnitees to the extent any such Losses are caused by any negligent act, wilful misconduct or omission of any of the Owner Indemnitees. Notwithstanding the foregoing, in no event will Bell Canada be liable for or indemnify and save harmless any of the Owner Indemnitees from and against any indirect, special, incidental or consequential damages, including loss of revenue, loss of profits, loss of business opportunity or loss of use of any facilities or property, even if advised of the possibility of such damages. The Owner shall indemnify and save Bell harmless from any loss of or damage to the Equipment caused by the Owner, its employees, agents or contractors or for those whom the Owner is responsible for in law. The Section shall survive the expiration or termination of this License.
8. The term of this License is effective as of the Effective Date and shall continue to run for a period of seven (7) years from the Effective Date (the "Term"). The terms of renewal, for so long as Bell Services are available to the Building will be subject to negotiations, both parties acting reasonable, subject to mended terms and conditions.
9. Notwithstanding that both parties acknowledge there may be active subscribers to Bell services in the Building, either party may terminate this License: (i) upon a party providing to the other party hereto with written notice of its intention not to renew this License at least one hundred and twenty (120) days prior to the expiration of the Term or Renewal Term; (ii) in the event of a material breach hereof, where such breach is not cured within ninety (90) days of receipt of written notice by the other party of such breach; or (iii) immediately, in the event the other party becomes bankrupt or insolvent, becomes unable to pay its liabilities when they become due, has insolvency proceedings commenced by or against it, makes an assignment for the benefit of its creditors, takes the benefit of any statute relating to bankrupt or insolvent debtors; or where an order is made or a resolution is passed for the winding up of the other party; or a receiver, receiver and manager, interim receiver, trustee in bankruptcy or liquidator is appointed to take possession of the assets of other party; or a creditor takes steps to issue an Application for a Bankruptcy Order against the other party; bankruptcy, reorganization, assignment, petition or appointment of a trustee or such other act of insolvency of the other party. If the action of a governmental agency requires modification of Bell's Services or the terms in which they are provided which is inconsistent with the terms of this License or impairs Bell's ability to provide Bell's Services in an economical and technically practical fashion, Bell may terminate this License upon thirty (30) days' written notice to Owner. Upon expiry or termination of this License and provided there are no further active subscribers to Bell Services in the Building (in which case Bell will retain title to the Bell Equipment), Bell shall be allowed thirty (30) days to remove the Bell Equipment, after which the Bell Equipment shall be deemed abandoned and ownership and title shall automatically transfer to the Owner. None of the rights and obligations contained herein may be assigned or transferred by the Owner without the prior written consent of Bell. In the event of termination of this License in respect of a particular Building (the "Subject Building"), the Marketing Agreement as it applies to the Subject Building will be deemed to be terminated only with respect to the Subject Building with no further force or effect as of the same date, subject to Section 22 of the Condominium Act, 1998, where applicable.

This License shall also be subject to all applicable federal, provincial and local laws, and regulations, ruling and orders of governmental agencies, including, but not limited to the Telecommunications Act, as amended, the Broadcasting Act, as amended or the rules and regulations of the Canadian Radio-Television and Telecommunications Commission (the "CRTC").
12. This License and the Marketing Agreement constitute the entire agreement of the parties and supersede all prior agreements and understandings on the subject matter hereof. Except as provided in Section 6, neither party makes any representation or warranty express or implied, statutory or otherwise to the other. If any provision of this License is found to be invalid, illegal or unenforceable, the other provisions of this License shall not be affected or impaired, and the offending provision shall automatically be modified to the least extent necessary in order to be valid, legal and enforceable.
13. The Owner and Bell Canada acknowledge and agree that this License pertains to each separate Building listed on Schedule "A" and Schedule "B". Where applicable, the terms and conditions of this License shall be interpreted by the parties and by any third party adjudicator as if such terms and conditions apply to each Building separately from the other Buildings listed on Schedule "A" and Schedule "B". For greater certainty, in the event that this License is terminated with respect to anyone Building listed on Schedule "A" or on Schedule "B" (whether pursuant to the terms of this License or otherwise) prior to the expiry date as noted herein, the terms and conditions of this License shall remain in full force and effect, unamended in respect of the remaining Buildings listed on Schedule "A" and Schedule "B".
14. In the event a new Freehold Owner or Condominium Corporation is to be added as a party to this License (the "New Owner") and/or a New Owner or Owner wishes to add a new Freehold Building or Condominium Building and Bell, at its sole option, may add the New Owner (if applicable) and such new Freehold Building or Condominium Building to this License within thirty (30) days of receipt of such notice by execution of an addendum substantially in the form set forth in Schedule "D" or Schedule "E", as applicable, hereto.
15. None of the rights and obligations contained herein may be assigned or transferred by the Owner without the prior written consent of Bell. Owner shall immediately notify Bell, in writing, in the event of any proposed or actual sale, conveyance, assignment or transfer (collectively, the "Transfer") of all or part of a Building (the "Subject Building") (other than the following Transfers where the provisions of this Section 15 shall not apply: (a) a conveyance without consideration of a portion of a Building to a governmental authority required as part of or in the course of the development thereof, or (b) the sale, lease or transfer of one or more units or more units or proposed units within a Condominium Building provided that such sale, lease or transfer would not result in the Condominium Corporation no longer being controlled by the current person controlling the Condominium Corporation). Upon any Transfer of the Subject Building, the Owner and Bell, duly notified, shall use best efforts to cause the transferee to execute and deliver to Bell and agreement whereby the transferee agrees to assume and be bound by all the rights and obligations of the Owner as set out herein as they apply to the Subject Building as if the transferee was an original signatory hereof (the "Assumption"). Upon the date any such Assumption becomes effective, the Owner shall be immediately released from its obligations under this License in respect of the Subject Building (save and except for any outstanding obligations arising hereunder prior to such Assumption). Where no Assumption occurs, the License shall terminate in respect of the Subject Building. The Owner shall also immediately notify Bell in the event the property management company of the Building should change. Notwithstanding such change of property management, the Owner and the Building shall

continue to be subject to the terms and conditions of this License and shall provide a copy of this License to the new property management.

16. The Owner and Bell hereby agree that this License and any information provided by one party to the other party herein, including, without limitation, information relating to third parties obtained, shall remain the confidential information of the parties and neither party shall disclose such confidential information without the prior written consent of the other party, or unless disclosure of such confidential information is compelled by judicial or regulatory process or otherwise by law or if the confidential information has been made public without any action by the disclosing party. For greater certainty, this provision shall not be construed to prevent either party from disclosing any of the terms of this License to its auditors, financial and legal advisors, or as may otherwise be required by law. This section shall survive the expiry or early termination of this License.
