The Licensor will, however, except in case of an emergency, give the Licensee at least twenty-four (24) hours advance notice before entry into the Deemed Area and will be accompanied by a representative of the Licensee if the Licensee makes a representative available for that purpose within forty-eight (48) hours of the Licensee's receipt of the Licensor's notice.

9. INDEMNIFICATION OF LICENSOR AND INSURANCE

- (a) The Licensee shall indemnify and hold harmless the Licensor and the Released Licensor Persons against all costs, claims, damages, causes of action and liability for personal injury or property damage which arise from the operations, occupancy, Services and or use by the Licensee and those for whom the Licensee is responsible under this Agreement, in law and in contract ("Licensee Responsible Parties") of the Building and or the Communications Equipment Cable, Communications Space, Connecting Equipment, Cross Connection, Entrance Cable, Existing Equipment, In Building Wire and Main Distribution Frame, hereinafter collectively referred to as "The Equipment" (or any part thereof), and which occurs wholly or in part by any negligent act or omission of the Licensee and or the Licensee Responsible Parties, and or by anyone permitted to be in the Building by the Licensee. The Licensee agrees to defend any claim, cause of action or demand against the Licensor and or Released Licensor Persons, including, any of its affiliated or related corporations, or their respective shareholders, agents, employees and those for whom all and any of them are, or is in law responsible arising out of any such occurrence in connection with the Equipment, including the Communications Equipment (or any part thereof) and or the Services (and to pay all costs, expenses and reasonable legal fees incurred or paid by the Licensor and or the Released Licensor Persons in connection with such litigation), except to the extent that such loss or damage is caused by the negligence or wilful misconduct of the Licensor or those for whom it is in law responsible.
- (b) The Licensee shall, at its sole cost and expense, during the Term and any extension obtain and keep in force: (i) all risks property insurance and equipment breakdown insurance for the full replacement cost of the Communications Equipment, the Equipment, and any other property brought into the Building and or Lands and (ii) commercial general liability insurance with limits of not less than TEN MILLION DOLLARS (\$10,000,000.00) inclusive per

occurrence for bodily injury for any one or more persons, or property damage. The policies specified in clauses (i) and (ii) above shall be taken out with insurers reasonably acceptable to the Licensor; shall be in a form reasonably satisfactory to the Licensor; shall include the Licensor and any other parties required by the Licensor, acting reasonably, as additional insured under the commercial general liability policy, and as loss payee under the all risk property insurance and the commercial general liability policy shall include, as applicable, a cross-liability and severability of interests clause and, under the all risk property insurance policy only, a waiver of subrogation in favour of the Licensor and those for whom it is in law responsible and shall be non-contributing with and will apply only as primary and not excess to any other insurance available to all and any of the Licensor, its affiliated or related corporations, and its or their respective shareholders, agents, employees and those for whom all and any of them are or is in law responsible. The Licensee shall provide evidence of such coverages by a Certificate of Insurance to be delivered to the Licensor forthwith upon demand. No such insurance policies shall be invalidated with respect to the interest of the Licensor or any other party added as an additional insured at the Licensor's request, by reason of any breach or violation of any warranty, representation, declaration or condition and shall contain an undertaking by the insurers to notify the Licensor not less than 30 days prior to any cancellation or termination. Follow form excess or umbrella insurance may be used to achieve the required insured limits under commercial general liability.

- (c) If the Licensee fails to take out or keep in force any insurance referred to in this Section 9 the Licensee shall indemnify Licensor as if the Licensee had taken out such insurance described in this Section 9 and should such insurance not be approved by the Licensor acting reasonably, and should the Licensee not commence to rectify diligently (and thereafter proceed to rectify diligently) the situation within 3 Business Days after written notice by the Licensor to the Licensee, the Licensor has the right, without assuming any obligation in connection with its doing so, to effect the insurance at the sole cost of the Licensee and all costs actually incurred by the Licensor shall be paid immediately by the Licensee to the Licensor without prejudice to any other rights or remedies of the Licensor under this Agreement, at law or in equity.
- (d) If the use or manner of use of the Equipment, the Communications Equipment or any acts, errors, omissions, negligence or wilful misconduct of the Licensee or those for whom it is in law responsible anywhere whether in or on the Building and or Lands cause or result in any increase in premiums for any insurance carried by the Licensor with respect to the Building and or Lands or any part thereof, the Licensee shall pay immediately any such increase in premiums.
- (e) Despite any other provision of this Agreement, if any insurer under any insurance policy covering any part of the Building and or Lands maintained by the Licensor or otherwise on or against the Building cancels or threatens to cancel its insurance policy or reduces or threatens to reduce coverage under such policy by reason of the installation or use of the Communications Equipment and or the Equipment by the Licensee or by any transferee, or by anyone permitted by the Licensee to be in the Building, the Licensee shall commence to rectify diligently (and thereafter proceed to rectify diligently) the situation within the time limit specified by the Licensor's insurers after written notice by the Licensor to the Licensee.
- (f) Every exculpatory clause and indemnity in this Agreement that is given to the Licensor is also given: to each of the Licensor's shareholders, officers, directors, employees, agents and those for whom all and any of them are, or is, in law responsible; to any management

company retained by the Licensor to operate the Building; to every owner and mortgagee of the Building; and to each of their respective officers, directors, employees and agents. The Licensor acts as agent or trustee for the benefit of each of such persons or entities so as to enable each of them to enforce the exculpatory clauses and indemnities in this Agreement.

- (g) Where used in this Section 9, Section 10 and Section 14, the term "Licensee" shall mean the Licensee together with its officers, directors, employees, agents, invitees, contractors and licensees and those for whom the Licensee is, in law, responsible.

10. RELEASE BY LICENSEE

In no event will the Licensor be liable to the Licensee and the Licensee releases the Licensor for:

- (a) any damage, theft to the Licensee's Equipment, Equipment Room, and Deemed Area or loss of use of such property;
- (b) the quality, adequacy, compatibility or sufficiency of any Building Communication Spaces provided to the Licensee hereunder, it being acknowledged by the Licensee that all Building Communication Spaces are provided "as is" and "where is", the use of which is at the sole risk of the Licensee;
- (c) the activities of any third party, under the terms of another telecommunications access licence or similar agreement, whether or not the party has been escorted while within the Building;
- (d) any claims resulting from lightning or other electrical current passing through the Building or facilities that cause any damage to the Licensee's Equipment or result in the interruption of any service by the Licensee;
- (e) the inadequacy of any utility service, or the loss of or the failure to provide any utility service save and except for the failure of the Licensor to provide reasonable prior written notice in accordance with Section 3(a). The Licensee acknowledges that interruptions in the supply of any services, systems or utilities are not uncommon in office buildings and the Licensee further acknowledges that any sensitive Licensee's Equipment in and on the Building will be protected by the Licensee from any failure in supply or interruptions through the use of a UPS system, surge protectors and other appropriate safety systems; or
- (f) any damage, loss, cost or expense (whether below deductibles or not) which arises from damage to or loss of or use of property in respect of which the Licensee maintains property insurance coverage or is required to maintain property insurance in accordance with the terms of this Agreement, whether the property insurance is provided by a third-party insurer or the Licensee self-insures, it being acknowledged that the Licensor, in requiring the Licensee to maintain property insurance or to self-insure, as provided above, does so with the intent that losses, regardless of how caused, are intended to be covered by that property insurance or self-insurance without any subrogation, claim or other claim associated with the loss or damage being brought against the Licensor.

except to the extent of any grossly negligent or wilful acts of the Licensor.

11. RELEASE BY LICENSOR

The Licensor releases the Licensee in respect of any damage, loss, cost or expense (whether below deductibles or not) which arises from damage to Licensor's property in respect of which the Licensor maintains property insurance coverage or is required to maintain property insurance in accordance with the terms of this Agreement, whether the property insurance is provided by a third-party insurer or the Licensor self-insures, it being acknowledged that the Licensee, in requiring the Licensor to maintain property insurance or to self-insure, as provided above, does so with the intent that losses, regardless of how caused, are intended to be covered by that property insurance or self-insurance without any subrogation, claim or other claim associated with the loss or damage being brought against the Licensee. This release extends to any acts or omissions of the Licensee but not to any grossly negligent or wilful acts or omissions of the Licensee.

12. LIENS AND SECURITY INTERESTS

The Licensee shall ensure that no lien, security interest, charge, mortgage, or other encumbrance is claimed in respect of the Building in connection with the Communications Equipment and the Equipment and the Licensee shall indemnify the Licensor and the Released Licensor Persons in respect of all loss, claims, costs and expenses that might be incurred by the Licensor in obtaining the removal from title, and discharging of any notice, claim for lien or other document (including but not limited to a notice under the Personal Property Security Act) provided that the Licensor shall notify the Licensee first and give the Licensee an opportunity to remove such encumbrances from title and discharge any such notice or claims.

13. CONSEQUENTIAL DAMAGES - EXPANDED MEANINGS - AGENCY AND TRUST

- (a) Neither the Licensor nor the Licensee will be liable to the other (regardless of any other provision of this Agreement), in respect of any indirect, special, incidental or consequential damages including loss of business opportunity, even if advised of the possibility of such damages.
- (b) Wherever a release is provided for under this Agreement in favour of the Licensor, it will be deemed to include the Released Licensor Persons. The Licensor acts as agent or trustee for the benefit of the Released Licensor Persons, and each of them, to allow them to enforce the benefit of this provision as well as the benefit of each release clause in this Agreement that is intended to benefit them.
- (c) Wherever a release is provided for under this Agreement in favour of the Licensee, it will be deemed to include the Released Licensee Persons. The Licensee acts as agent or trustee for the benefit of the Released Licensee Persons, and each of them, to allow them to enforce the benefit of this provision as well as the benefit of each release clause in this Agreement that is intended to benefit them.

14. ASSUMPTION OF RESPONSIBILITY AND CONTROL

The Licensor reserves its right, consistent with the applicable decisions and rulings of the CRTC, to request the Licensee to transfer responsibility and control of its In-Building Wire. Such transfer shall be at the sole discretion of the Licensee and on terms and conditions acceptable to the Licensee. If the Licensor assumes responsibility and control of In-Building Wire installed by the Licensee, it will be entitled to recover the reasonable costs of its maintenance and management to the extent permitted by the CRTC.

15. ASSIGNMENT, SUBLICENSING, ENCUMBERING, SHARING OF SPACE AND

EQUIPMENT BY THE LICENSEE

- (a) The Licensee shall not assign this Agreement in whole or in part without obtaining the prior written consent of the Licensor which consent may not be unreasonably withheld. Despite what is stated above, the Licensee may assign its rights under this Agreement, on a bona fide basis, to an Affiliate without the prior written consent of the Licensor, or to a purchaser of substantially all of the assets of the Licensee if: (i) the assignee executes an agreement with the Licensor to be bound by the terms of this Agreement and agrees to pay the reasonable costs of the Licensor incurred in connection with the preparation, negotiation and finalization of that agreement; (ii) the assignee agrees in the agreement referred to above, that should it cease to be an Affiliate of the Licensee, an assignment in respect of which the Licensor's consent is required as provided above will be considered to occur; and (iii) the assignee provides to the Licensor those reasonable particulars which the Licensor requires in order to satisfy itself concerning the requirements stipulated above, and provides to the Licensor reasonable advance notice to enable it to prepare, negotiate and obtain the execution of the agreement mentioned above and to satisfy itself that the requirements stipulated above are satisfied.
- (b) No assignment whether to an Affiliate or otherwise, shall release the Licensee from any liability or obligation under this Agreement, unless the Licensor provides a release in writing.
- (c) Except as required or mandated by the CRTC and as provided for in this Agreement, the Licensee will not sublicense, co-locate, share the use of, or otherwise provide the benefit of this Agreement to any third party telecommunication provider or other communication service provider and will not mortgage or encumber its rights under this Agreement in favour of any lender without the Licensor's consent. For greater certainty, this prohibition does not preclude the Licensee from entering into Cross-Connections with any other party.
- (d) Despite what is stated above, the Licensee will be permitted to assign its rights under this Agreement to a bona fide lender, as collateral security for any bona fide, secured financing of all or part of its business undertaking. However, this permission does not imply or allow the inference that the Licensor waives, or is willing to forbear from the exercise of its remedies under this Agreement, should an Event of Default occur, nor that any lender will have any greater rights than the Licensee in respect of this Agreement, including but not limited to the restrictions set out in this Section 15.

16. HAZARDOUS MATERIALS

The Licensee shall not install, bring upon, or use any Hazardous Substance into or on the Building except telecommunications equipment batteries in a manner and in quantities as necessary for the ordinary performance of Licensee's business in the Building, and provided that any such use is in compliance with all applicable laws. The Licensee shall indemnify and hold the Released Licensor Persons and any party the Licensor is responsible for at law, harmless from any claim, loss, cost, damage, or expense resulting from any breach regarding the transportation, handling, discharge, disposal and or installation or use of any Hazardous Substance brought into or on the Lands or Building by the Licensee or any of its agents, representatives, employees, contractors, subcontractors, or anyone for whom the Licensee is responsible in law, including any and all costs incurred in remedying such breach.

17. EVENTS OF DEFAULT - TERMINATION REMEDIES

- (a) Each of the following events shall be deemed to be an Event of Default by the Licensee under this Agreement:
 - (i) the Licensee defaulting in the payment of any Licence Fee, amount, or portion thereof, or other sum of money due to the Licensor pursuant to the terms of this Agreement, and such default continues for more than 30 days, after written notification of such default by the Licensor to the Licensee;
 - (ii) the revocation of the Licensee's permission to provide regulated or non-regulated telecommunications services by any governing entity authorized to permit or regulate the Licensee's providing of such services;
 - (iii) the Licensee's becoming insolvent, or the filing, execution, or occurrence of a petition in bankruptcy or other insolvency proceeding by or against the Licensee; or an assignment for the benefit of creditors; or a petition or proceeding by or against the Licensee for the appointment of a trustee, receiver or liquidator of the Licensee or of any of the Licensee's property or a proceeding by any governmental authority for the dissolution or liquidation of the Licensee;
 - (iv) the appointment of a receiver, receiver and manager, or other representative in connection with any default by the Licensee under any loan or debt obligation;
 - (v) the ceasing of the Licensee to carry on business in the ordinary course; and
 - (vi) if the Licensee materially defaults in the observance or performance of any of the Licensee's other obligations under this Agreement and such default continues for more than thirty (30) days after written notification of such default by the Licensor to the Licensee.
- (b) Upon or after the occurrence of an Event of Default the Licensor may elect to terminate this Agreement without limiting its other remedies.
- (c) If the Licensor materially defaults in the observance or performance of any of the Licensor's obligations under this Agreement and such default continues for more than thirty (30) days after written notification of such default by the Licensee to the Licensor, the Licensee may terminate this Agreement without limiting its other remedies.

18. INTENTIONALLY DELETED

19. SALES TAX

The Licensee shall pay, when due, any sales tax, goods and services tax, value added tax or any other tax imposed on the Licensor with respect to any sum payable by the Licensee to the Licensor or otherwise under this Agreement, whether characterized as a sales tax, goods and services tax, value added tax, business transfer tax or otherwise.

20. REMOVAL AND RESTORATION OBLIGATIONS

- (a) Upon the expiration or earlier termination or surrender of this Agreement and so long as there are no active subscribers in the Building to the Services, the Licensee may, at the Licensee's sole cost and expense, remove the Entrance Cable, all of the Licensee's personal property and all other items of the Licensee's Equipment except any part of it that by agreement between the Licensee and the Licensor has been acquired by the Licensor. This obligation to remove the Entrance Cable and all other items of the Licensee's Equipment shall be subject to any CRTC-mandated obligations upon the Licensee to provide services to other TSPs. Any material(except the Exempted Items) not so removed by the Licensee within 180 days of the expiry or termination of the Agreement shall become the property of the Licensor without any compensation to the Licensee. As of the date of such removal, neither party shall have any claim against the other, except for claims or obligations that may have arisen or accrued prior to such termination or that arise by reason of the Licensee's Equipment and other equipment or property removal, which claims or obligations shall survive such termination. The Licensee further covenants, at its sole cost and expense, to repair or refinish all damage caused by the operation or removal of the Licensee's Equipment. If the Licensee fails to repair or refinish any such damage, the Licensor may, in its sole discretion, repair or refinish such damage and the Licensee shall reimburse the Licensor of all costs and expenses incurred in such repair or refinishing and will pay to the Licensor an administration fee equal to 15% of the cost. However, in no event will the Licensee assume costs arising from the removal of inside wiring equipment, including wires, cables, or addressable wall plates. The covenants herein shall survive the expiration or earlier termination or surrender of this Agreement.
- (b) If due to CRTC-mandated obligations upon the Licensee to provide services to other TSPs or pursuant to Section 20(a) the Licensee is not required to remove the Entrance Cable or other items of the Licensee's Equipment ("**Exempted Items**"), then despite the expiration or termination of the Term and any Renewal Term(s) of this Agreement, the Licensee shall retain the ownership of the Exempted Items, and all of the obligations of the Licensee under this Agreement will continue in full force and effect, except that the obligation to pay the Licence Fee will be suspended so long as the Licensee does not provide Services. That situation will continue (subject to the sentence following this one) until the Licensee's CRTC-mandated obligations end and the Licensee removes the Exempted Items and restores damage as provided in Section 20(a). So long as, and to the extent, a third party assumes responsibility and control of the Exempted Items, and the third party is bound by a telecommunications access agreement with the Licensor, or a successor of the Licensor, the Licensee will be exempted from the obligation to remove the Exempted Items.

21. LICENSOR' S ALTERATIONS

Despite anything else in this Agreement, the Licensor may, at any time, make any changes in, additions to or relocations of any part of the Building; may grant, modify or terminate easements and any other agreements pertaining to the use or maintenance of all or any part of the Building; may close all or any part of the Building to such extent as the Licensor considers necessary to prevent the accrual of any rights in them to any persons; and the Licensor may also make changes or additions to the pipes, ducts, utilities and any other building services in the Building (including areas used or occupied by the Licensee) which serve any part of the Building provided that the Licensee is not prevented from exercising its rights under this Agreement. No claim for compensation shall be made by the Licensee by reason of any inconvenience, nuisance or discomfort arising from work done by the Licensor but the work will be done as expeditiously as is reasonably possible.

22. NOTICES

Any written information, questions, notices, or correspondence pertaining to this Agreement (a “**Notice**”) shall be sent by mail, postage prepaid, certified or registered mail, to the following address or such other address as may be specified in writing from time to time:

To the Licensor:

The address noted on the Information Page.

To the Licensee:

The address noted on the Information Page.

and service shall be deemed to have been made on the date the Notice was delivered in person or, if mailed by certified or registered mail, on delivery.

23. LICENSEE’S EQUIPMENT TO REMAIN PERSONAL PROPERTY

Except as otherwise provided in this Agreement, the Licensee’s Equipment, Entrance Cable and In-Building Wire will remain personal property of the Licensee although it may be affixed or attached to the Building, and will, during the Term of this Agreement, or any Renewal Term, and upon the expiration of this Agreement belong to and be removable by the Licensee.

24. LICENCE ONLY

This Agreement creates a non-exclusive licence only and the Licensee acknowledges that the Licensee does not and shall not claim any interest or estate of any kind or extent whatsoever in the Building, Communications Spaces, or Equipment Room by virtue of this Agreement or the Licensee’s use of the Building, Communications Spaces or Equipment Room. The relationship between the Licensor and the Licensee shall not be deemed to be a "landlord-tenant" relationship and the Licensee shall not be entitled to avail itself of any rights afforded to tenants at law.

25. LIMITATION OF LIABILITY

In the event the Owner enters into an agreement to sell, assign or otherwise transfer its interest in the Building as owner or lessor, the Licensor shall (i) immediately notify the Licensee; and (ii) cause such successor in interest to execute and deliver to the Licensee an agreement (the “**Assumption Agreement**”) whereby the transferee agrees to assume and be bound by all the rights and obligations of the Licensor as set out herein. A lease of the entire Building shall be deemed a transfer within the meaning of this Section. Upon the date any Assumption Agreement becomes effective, the Licensor will be released from its obligations under this Agreement. For greater clarity, nothing in this Section releases the Licensor from any liability(ies) that may arise prior to the date of such sale, assignment or transfer herein.

26. SPECIFIC TERMINATION RIGHTS

In addition to the other termination rights provided to it in this Agreement, either party may elect to terminate this Agreement in each of the following circumstances, subject to giving at least thirty (30) days’ prior written notice to the other party:

- (a) where the Building has been destroyed or damaged to such an extent that it is not feasible

to repair it within a period of one hundred and eighty (180) days after the damage;

- (b) where the Deemed Area or the Communications Spaces become damaged and it is not feasible to restore them within one hundred and eighty (180) days after the damage;
- (c) where the Building is expropriated by a lawful authority;
- (d) where the Licensor has *bona fide* plans to redevelop, or otherwise alter the Building in such a manner as to, in the Licensor's opinion, make the relocation of any part of the Deemed Area or the Licensee's Equipment not feasible;
- (e) the Licensee no longer provides Licensee's Services in the Building; or
- (f) the Licensee is unable to secure, on terms and conditions reasonably satisfactory to it, acting reasonably, all necessary consents, approvals, permits and authorizations of any federal, municipal or other governmental authority having jurisdiction over the provisioning of Licensee Services or any other matters required by the Licensee to provide Licensee Services.

Upon any conversion of the Building resulting in the Building no longer being defined as a Multi-Dwelling Unit Building, the parties agree to negotiate in good faith any required amendments to this Agreement.

In the event this Agreement is terminated under this Section, the Licensor will return the prepaid Fees for the remainder of the year.

27. ESTOPPEL CERTIFICATES

The Licensee will provide to the Licensor from time to time, within 30 Business Days of the Licensor's written request in each case, at no cost to the Licensor, a statement duly executed by the Licensee confirming that this Agreement is in good standing, the Fees payable and the Fees actually paid to any date specified by the Licensor for the statement and confirming the Commencement Date, the Term, any Renewal Term to which it claims to be entitled.

28. LICENSOR'S AUTHORITY

Triovest Realty Advisors Inc. is engaged by the Owner(s) of the Building(s), to act as the property manager for the Building(s). Triovest Realty Advisors Inc. represents that it has full authority to execute this Agreement on behalf of and bind the Owner(s) and the Owner(s) has full authority to grant this License. The obligations of the Licensor under this Agreement are the obligations of the Owner(s) and not Triovest Realty Advisors Inc. However, Triovest Realty Advisors Inc. is liable for the forgoing representations in this provision.

29. INTEREST OF LICENSEE

This Agreement is a licence only and does not grant any interest, whether legal or equitable, to the Licensee in or to any real property interest of the Licensor.

30. JOINT AND SEVERAL OBLIGATIONS

The liability of each of the Owners where there are more than one is joint and several. If there is more than one Licensee, or more than one person or entity comprising the Licensee, each is bound jointly and severally

by this Agreement.

31. ENTIRE AGREEMENT

This Agreement and the schedules attached set forth the entire agreement between the Licensor and the Licensee concerning the Communications Equipment and the Building and there are no agreements between them other than as are set forth in this Agreement. This Agreement and the schedules may not be modified except by agreement in writing executed by the Licensor and the Licensee. The Licensor has made no representation or warranty to the Licensee in connection with any matter pertaining to this Agreement.

The terms and conditions contained in this Agreement supersede all prior oral or written understandings between the parties and constitute the entire agreement between them concerning the subject matter of this Agreement. This Agreement shall not be modified or amended except in writing signed by authorized representatives of the parties.

32. LICENSEE'S REPRESENTATION

The Licensee represents to the Licensor and acknowledges that the Licensor relies upon this representation and would not have entered into this Agreement but for that representation, that, the construction, design and operation of the Licensee's Equipment includes back-up, redundant and "fail safe" features so that the risk of damage, malfunction or disruption of the Licensee's Equipment disrupting service to customers or other third parties utilizing that network and equipment (except for telecommunication services between (i) the customers of the Licensee or the customers of telecommunication service providers that lease local loops from the Licensee to serve customers within the Building and (ii) persons communicating with those customers) is minimized.

33. FORCE MAJEURE

Despite anything contained in this Agreement to the contrary, if the Licensor or the Licensee is, in good faith, delayed or prevented from doing anything required by this Agreement because of a strike, labour trouble, inability to get materials or services, power failure, restrictive governmental laws or regulations, riots, insurrection, sabotage, rebellion, war, act of God, or any other similar reason that is not the fault of the party delayed, the doing of the thing is excused for the period of the delay and the party delayed will do what was delayed or prevented within the appropriate, prudent, and reasonable period after the delay. The preceding sentence does not excuse the Licensee from payment of all amounts which it is required under this Agreement to pay.

34. OVERHOLDING

If the Licensor permits the Licensee to retain its Communications Equipment in the Building after expiry of the Term with the permission of the Licensor but without executing a new agreement, there is no tacit renewal of this Agreement despite any statutory provision or legal presumption to the contrary. This Licensee shall continue on a month-to-month basis only on the same terms and conditions set out in this Agreement.

35. IMPLIED WAIVERS

A waiver by the Licensor or the Licensee of any breach of the terms, covenants and conditions of this Agreement shall not be deemed to be a waiver of the term, covenant or condition or of any subsequent breach of it or any other term, covenant or condition. No term, covenant or condition of this Agreement is deemed to have been waived unless the waiver is in writing and signed by the Licensor or the Licensee, as

the case may be.

36. SEVERABILITY

If any provision of this Agreement or any part of a provision is found to be illegal or unenforceable then it will be severed from the rest of this Agreement and the rest of this Agreement will be enforceable, accordingly.

37. GOVERNING LAW

This Agreement will be governed by the laws of the province in which the Building is situated and all federal laws applicable therein.

38. LAW, BY-LAWS RULES AND REGULATIONS

The Licensee will comply with all applicable laws and by-laws, and with all rules, regulations and written directives from time to time established by the Licensor in respect of the Building.

39. COUNTERPARTS

This Agreement may be executed in any number of counterparts each of which shall be deemed an original and together shall constitute one agreement, binding on both parties even though both parties do not sign the same counterpart.

40. SUCCESSORS AND ASSIGNS

This Agreement shall be binding upon and enure to the benefit of the parties hereto and their respective successors and permitted assigns.

41. CONFIDENTIALITY

Any confidential information provided by one party to the other party herein shall remain the confidential information of the disclosing party and no receiving party shall disclose such confidential information without the prior written consent of the disclosing party, or unless disclosure of such confidential information is compelled by judicial or regulatory process or otherwise by law or if the confidential information has been made public without any action by the receiving party. "Confidential Information" means any information which is confidential in nature, whether such information is or has been conveyed to receiving party orally or in written or other tangible form, and whether such information is received directly or indirectly such as in the course of discussions or other investigations by receiving party. Notwithstanding the foregoing, the absence of any identification shall not relieve receiving party of the obligation to treat as confidential, information which would be considered confidential by a person exercising reasonable business judgment. For greater certainty, this provision shall not be construed to prevent either party from disclosing any of the terms of this Agreement to its auditors, and financial and/or legal advisors.
