

Electronic billing

Every year we continue to leverage technology to help our customers reduce waste and increase the convenience factor of bill management simultaneously.

We continue to promote e-billing because customers can cut clutter, download and save bills anytime, and save trees and the energy required to print, handle and deliver paper invoices.

For those customers that still want a bill printed on paper, we use paper certified by the Forest Stewardship Council (FSC).

For more information, please see our [website](#).

To the extent this information sheet contains forward-looking statements including, without limitation, outlooks, plans, objectives, strategic priorities, commitments, undertakings and other statements that do not refer to historical facts, these statements are not guarantees of future performance or events, and we caution you against relying on any of these forward-looking statements. Forward-looking statements are subject to inherent risks and uncertainties and are based on assumptions that give rise to the possibility that actual results or events could differ materially from our expectations expressed in, or implied by, such forward-looking statements. Refer to BCE Inc.'s most recent annual management's discussion and analysis (MD&A), as updated in BCE Inc.'s subsequent quarterly MD&As, for further information on such risks, uncertainties and assumptions. BCE Inc.'s MD&As are available on its website at bce.ca, on SEDAR at sedar.com and on EDGAR at sec.gov.
